## DONE NEWS FLASH

### Fire Disaster Information

October 25, 2007

Dear Friends and Colleagues,

The Department has received a number of press releases and e-mails regarding fire disaster. We want to share this information with you, knowing only too well that all of us live in the shadow of a potential fire emergency. Also, many of us have friends and family who are directly impacted by fire emergencies right now, and who need our help.

When important information like this comes our way, we will provide it to you as soon as possible, as we understand how valuable and effective Neighborhood Councils can be in getting the news out to stakeholders across our City.

Bonghwan Kim  
Acting General Manager
