Make a Plan to Vote

Election Day is Tuesday, November 3. This year, California residents have multiple easy ways to cast their ballot safely and securely. Voting by mail or early in person helps keep our communities safe by promoting social distancing at the polls.

VOTE BY MAIL

All registered California voters will receive a mail-in ballot from their county elections office. Ballots will be sent out starting in early October.

TRACK YOUR PROCESS HERE:

CONFIRM	☐	Confirm your voter registration or register to vote at **VoterStatus.sos.ca.gov by October 19.**
COMPLETE	☐	Once received, **complete your mail-in ballot** and seal it inside the secure, postage-paid return envelope from your county elections office.
SIGN	☐	**You are required to sign the outside of your sealed ballot return envelope.** Please ensure that the signature matches the one on your California driver's license/state ID. Your county elections office will compare them to protect your vote.
RETURN	☐	**BY MAIL:** Mail-in ballots must be postmarked by Nov. 3. **IN PERSON:** Drop off your mail-in ballot at any time at your county elections office, any vote center, polling place, or ballot drop-off location by 8:00 PM on Nov. 3.
TRACK	☐	For the first time, California voters will be able to track the status of their ballots. For more information, please visit **WheresMyBallot.sos.ca.gov** or see below.
