AGENDA

- 7:15 p.m. (1) Call to Order/Approval of Agenda
- 7:15-7:20 (2) Public Comment/Announcements – 2 min. per speaker
- 7:20-8:00 (3) Executive Committee Business

A. Possible UNNC Comments/CIS regarding the "REINVESTMENT OF POLICE FUNDS TO IMPACTED COMMUNITIES," Council File No: 20-0600:

When City Council adopted the Fiscal 2020-2021 budget, it asked for a report to recommendation a structure for the reinvestment of \$150 million in funds transferred from the Los Angeles Police Department (LAPD) budget to impacted communities. The recommendation adopted by City Council on December 9, 2020 states that \$90 million is to be allocated to "Preservation of City Services, Reinvestment in Disadvantaged Communities and Communities of Color, Reimagining Public Safety Service Delivery, and Targeted Local Hire (TLH) Program." It further specifies that the allocations should be for "one-time" expenditures (rather than ongoing programs/expenditures), and divides the share of funds among council districts based on their respective share of "highest need" census tracts (based on median income, unemployment, federally-defined poverty level and college education attainment).

Council District 10's resulting share is \$4,549,792. The actual allocations for projects are expected to be finalized in early February. The CD10 funds are currently proposed to be spent in this way: 1). to provide \$3 million in gap funding for the Vision Theater for sound staging and lighting equipment; and 2). the balance for Concrete Street Reconstruction: Degnan Blvd from 43rd Street to 43rd Place.

- C. **Reallocation of Current At Large Board Seats, due to clerical errors:** UNNC should have SIX At Large Representative, Group A seats and FIVE At Large Representative, Group B seats, for a total of ELEVEN At Large Representative seats on the Governing Board. However, currently there are seven Group A seats on the roster, and only four Group B seats. This error needs to be corrected in advance of the Spring NC elections. – **DISCUSSION AND POSSIBLE ACTION**

- D. **Funding Request:** The Friends of FS34 (Fire Station 34, located on 7th Avenue in Jefferson Park) request funds to purchase community materials for outreach to the Jefferson Park and West Adams community. Due to the pandemic, the annual Fire Service Day was cancelled for 2020, and now 2021. But there is an opportunity to create continued community engagement without the annual event. Funds requested: \$3,000. – **DISCUSSION AND ACTION**

Telecommunication Relay Services

Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications.

Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers - generally telephone companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user. What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service.

Please visit this site for detail descriptions:

<https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>

Don't hang up! Some people hang up on TRS calls because they think the CA is a telemarketer. If you hear, "Hello. This is the relay service ..." when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.
