## AGENDA

1). **Determination to continue to hold meetings virtually:** The Board of Neighborhood Commissioners (BONC) and the Department of Neighborhood Empowerment, with guidance from the Los Angeles City Attorney, have established that BONC has the authority to adopt AB 361 Findings Pursuant to Government Code Section 54953(E)(1)(b)-(c) on behalf of the City’s neighborhood councils, and to determine that due to the Covid-19 state of emergency, meeting in person would present imminent risks to the health or safety of attendees. This meeting is being conducted virtually pursuant to that directive.

2). **Welcome & Call to Order; Introductions; Approval of the Agenda** – Tori Bailey, Chair

3). **Public Comments** (1-2 minutes per speaker)

4). **Presentation, Discussion and Possible Preparation of a Community Impact Statement (CIS) regarding Los Angeles City Council Motion No. 21-1415:**

From January 2020 to July 2020, 273 persons experiencing homelessness (PEH) die of a drug overdose, compared to 205 for the same months in 2019. Since 2017, PEH were 36% more likely to die of drug overdose than the general population.

Although methamphetamine has been the highest cause of overdose since 2017, fentanyl – a synthetic opioid that is 50 to 100 times more potent than heroin- use and overdoses has been increasing since 2019. Many street drugs are often cut with fentanyl, including methamphetamine, cocaine and other stimulants. Naloxone is a nasal spray that rapidly reverse opioid overdose.

Motion No. 21-1415 calls for LAHSA to identify all agencies and services providers who assist PEH in the City of Los Angeles to be trained to use naloxone and to insure the naloxone be widely distributed to shelters, street outreach workers and anyone other homeless service provider staff who comes in contact with PEH. In addition, the Chief Legislative Office will be directed to identify City department who come in contact with or offer services to PEH. Select staff from these departments will receive the same training and supplies of naloxone. – **DISCUSSION AND POSSIBLE ACTION**

Comments from the public on other matters not appearing on the agenda that are within the Board’s or Committee’s jurisdiction will be heard during the General Public Comment period. ## **Telecommunication Relay Services**

Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications.

Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers – generally telephone companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user. What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service.

Please visit this site for detail descriptions:

Don't hang up! Some people hang up on TRS calls because they think the Communications Assistant (CA) is a telemarketer. If you hear, "Hello. This is the relay service . . ." when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.

If you have limitations hearing or speaking a specially-trained CA can relay telephone conversations for all of your calls. In California, dial 711 to reach the California Relay Service (CRS). If you prefer having your calls immediately answered in your mode of communication, dial one of the toll-free modality- and language-specific numbers below. The call will be routed to the CRS provider.

Federal regulations specify very strict confidentiality requirements for CAs of all Relay services. No part of the conversation that takes place between callers is revealed or recorded in written, verbal, or any other form. CRS CAs do not participate in the conversation and acquire no benefit from information relayed.
