## AGENDA

1) **Determination to continue to hold meetings virtually:** The Board of Neighborhood Commissioners (BONC) and the Department of Neighborhood Empowerment, with guidance from the Los Angeles City Attorney, have established that BONC has the authority to adopt AB 361 Findings Pursuant to Government Code Section 54953(E)(1)(b)-(c) on behalf of the City's neighborhood councils, and to determine that due to the Covid-19 state of emergency, meeting in person would present imminent risks to the health or safety of attendees. This meeting is being conducted virtually pursuant to that directive.

2) **Welcome & Call to Order; Introductions; Approval of the Agenda**

3) **Public Comments** (1-2 minutes per speaker)

4) **Requested Support for transfer of ABC Beer & Wine License to Destino Restaurant from Prior Operator, 3224 Venice Boulevard (Arlington Heights):**

Destino Restaurant, Inc. has applied to transfer an Alcoholic beverage license for beer & wine (License No. 482050 to become License No. 634543). A Conditional Use Permit (ZA-2018-6609-CUB) for serving beer & wine was granted on December 13, 2019 to the prior No Q No Taqueria restaurant in December 2019 and it runs with the land. However, this is a new restaurant/new owner and the underlying license itself needs to be updated. Request is for UNNC to support the transfer of the previously issued license from prior owner (deceased) to new restaurant owner. – **DISCUSSION AND ACTION**

5) **Council File No. 22-0029, City Council motion relative to making property owners accountable for their vacant buildings:**

CD2 Councilmember Paul Krekorian moved at City Council that the Council instruct the City Attorney to prepare in conjunction with LADBS (Building and Safety) and LAFD (Fire) an ordinance requiring property owners to protect vacant properties from fire if vacant over 180 days AND to create an inspection program AND to make property owners liable for costs resulting from fires at their vacant structures. Finalize Planning & Zoning Committee recommended UNNC Community Impact Statement (CIS) regarding this motion. -- **DISCUSSION AND POSSIBLE ACTION**

6) **Council File No. 22-0040, City Council motion relative to incentivizing the production of affordable housing through ADUs, Community Land Trusts (CLTs), and legalization of existing units:**

CD6 Councilmember Nury Martinez moved at City Council that the City Administrative Officer produce a report with assistance from LAHD (Housing), LADCP (Planning), and LADBS (Building and Safety) on possible financial incentives and programs that would help low income city residents and CLTs build and upgrade affordable ADUs. Incentives may include direct financing assistance, leveraging of SB9 incentives, assisting at-risk property owners, and utilizing REAP properties for CLTs. Finalize Planning & Zoning recommended draft UNNC Community Impact Statement (CIS) regarding this motion. – **DISCUSSION AND POSSIBLE ACTION**

**7). Request that UNNC Support Extension of the Ballona Creek Bike Path to Venice Boulevard:**

The UNNC Mobility and Transportation Sub-Committee will discuss a proposed Resolution supporting the effort to extend the Ballona Creek Bike Path from its current terminus at Jefferson up to Venice Boulevard where the Creek ends. At that point it would then be connected to the Venice Boulevard Bike Path which crosses through the UNNC footprint. – **DISCUSSION AND ACTION**

**8). Request that UNNC Support Metro’s Planned Bus Lanes on La Brea from Coliseum to Sunset:**

The UNNC Mobility and Transportation Sub-Committee will discuss a proposed letter of support, with several additional recommendations, for Metro’s planned bus lanes on La Brea. Bus service is the backbone of public transit, which is why Metro’s NextGen Bus Plan reimagined the bus system to focus on providing fast, frequent, reliable, and accessible service. Bus priority lanes are key to successfully implementing this plan. La Brea Av Bus Priority Lanes Project is located along a 5.9-mile segment of La Brea Ave, between Sunset Boulevard and Coliseum Street, and as proposed would operate during rush hours (7-10 a.m. and 3-7 p.m.) in the curbside lanes in both directions. – **DISCUSSION AND ACTION**

**9). Request that UNNC Support “Safe Streets for All” City Ballot Initiative:**

The UNNC Mobility and Transportation Sub-Committee will discuss a proposed Resolution supporting the “Safe Streets for All” city ballot initiative. If passed, this initiative would require the City of Los Angeles to implement its Mobility 2035 plan whenever new road paving is done. – **DISCUSSION AND ACTION**

**10). Follow-up to Previous Cases, ENS, and Old Business -- DISCUSSION AND ACTION**

**11). Adjourn**

## **Telecommunication Relay Services**

Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications.

Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers – generally telephone companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user. What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service.

Please visit this site for detail descriptions:

<https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>

Don't hang up! Some people hang up on TRS calls because they think the Communications Assistant (CA) is a telemarketer. If you hear, "Hello. This is the relay service . . ." when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.
