

# CELEBRATE EARTH DAY WITH US!

SATURDAY, APRIL 22  
10 AM – 2 PM

**HOLD THE DATE!**

**UNNC's Earth Day 2023 Celebration:  
Sustainability and Resilience  
12th Avenue at Washington Boulevard**

*Celebrate Planet Earth! Please join UNNC, and be inspired to lead an environmentally-friendly lifestyle with booths and activities that range from recycling used materials into fun art and craft projects, mini-cert sessions; handouts about food waste, reducing plastics, native plants, and disaster preparedness; plus learn to how to properly compost your leftover food – including worm composting (the kids will love it!). This event has a focus on Sustainability (efforts to prevent climate change) and Resilience (fire safety, emergency preparedness). Watch for updates at [unnc.org](http://unnc.org).*
