## AGENDA

**1). Welcome & Call to Order; Review of UNNC Standing Rules for Committee Stakeholder Voting Participation; Introductions and Voting Affirmations; Review of the Agenda**

**2). General Public Comments (1-2 minutes per speaker)**

**3). New Housing / Affordable Housing laws, round-up of legislation and highlights from recent conferences:** At recent conferences (SCANPH and AIA’s Design for Dignity), much discussion was focused on new local and statewide laws addressing housing and, especially, affordable housing initiatives. Among new pieces of legislation are: **SB 4** (“Yes in God’s Backyard”), which authorizes 100% affordable housing development projects by right on land owned by a religious institution as well as on land owned by higher education institutions; **AB 1287**, which changes the calculations for density bonuses from the number of units provided by zoning to instead the number of units provided by the general land use element of the parcel, with a stated goal of creating new housing options for middle-income families; and **AB 1449**, which will provide an exemption from review under CEQA for certain 100% affordable housing projects that are located in dense urban areas, set aside all units for households earning less than 80% the area median income, and abide by stricter labor standards. Locally, the City of Los Angeles is now processing the implementation ordinance which will add Mayor Karen Bass’s emergency ED1 order into the LAMC. At this meeting, we will be discussing these and other recent initiatives, along with highlights from several recent housing-related conference. – **DISCUSSION**

*Los Angeles's proposed Affordable Housing Streamlining Ordinance will be considered by the City Planning Commission (CPC) on Thursday, November 16 (the morning after the UNNC P&Z meeting). The meeting commences at 8:30 a.m. and will occur in-person at Van Nuys City Hall located at 14410 Sylvan Street, #215, Van Nuys, CA 91401. There is also an option to virtually join the meeting and provide public comment over Zoom. Additional information on how to participate in the meeting is provided in the agenda, available here <https://planning.lacity.org/about/commissions-boards-hearings>. After the City Planning Commission’s recommendation on the proposed ordinance, it will proceed to the City Council for consideration and possible adoption. Los Angeles City Planning has prepared this proposed ordinance in response to a City Council Motion (**Council File No. 23-0623**), amending the Los Angeles Municipal Code (LAMC) to create an administrative review process for 100% affordable housing projects, subject to eligibility requirements and performance standards.*

**See more information regarding the Streamlining Ordinance here:**

**Telecommunication Relay Services:** Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications.

Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers – generally telephone companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user. What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service. Please visit this site for detail descriptions: <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>

Don't hang up! Some people hang up on TRS calls because they think the Communications Assistant (CA) is a telemarketer. If you hear, "Hello. This is the relay service . . ." when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.

If you have limitations hearing or speaking a specially-trained CA can relay telephone conversations for all of your calls. In California, dial 711 to reach the California Relay Service (CRS). If you prefer having your calls immediately answered in your mode of communication, dial one of the toll-free modality- and language-specific numbers below. The call will be routed to the CRS provider.

TTY/VCO/HCO to Voice  
1-800-735-2929/English  
800-855-3000/Spanish

Voice to TTY/VCO/HCO

Federal regulations specify very strict confidentiality requirements for CAs of all Relay services. No part of the conversation that takes place between callers is revealed or recorded in written, verbal, or any other form. CRS CAs do not participate in the conversation and acquire no benefit from information relayed.
